

Youthful Operator Driver Safety Agreement

My Driver Safety Agreement

Driving is a privilege that I may lose by violating this agreement or may have suspended for other reasons such as (but not limited to) unsatisfactory school grades and violations of family trust.

- I will obey any curfews or restrictions imposed by my driver's license.
- I will obey all traffic laws and speed limits.
- I will not drink and drive, or use illegal drugs, or drive if I am taking ANY medication that may affect my driving.
- I will not ride with anyone whom I know or suspect is under the influence of alcohol or drugs (legal, or illegal).
- I will not permit any open or empty containers of alcohol, or transport anyone who I know or suspect may be carrying illegal drugs in any vehicle I operate.
- I will not ride in any vehicle where I know that there are empty or open containers of alcohol or where anyone who I know or suspect may be carrying illegal drugs.
- I agree not to drive with or transport anyone who is in possession of any weapon.
- I will always wear my seatbelt and shoulder harness. I will not ride in any vehicle in which there are more people than seat belts.
- I will make certain that I can always hear emergency vehicles and traffic sounds.
- I will drive defensively.
- I will not transport passengers unless they are properly secured by a seatbelt.
- I will always wear a helmet if I am driving or riding on a motorcycle. I will not transport a passenger unless he or she also wears a helmet.
- I will drive in a manner that respects the safety of myself, my passengers, other drivers and pedestrians.
- I will ignore peer pressure. While driving, I am in control. I can stop and ask others to leave my vehicle and, as a passenger, I can ask a driver to stop and let me out.
- I will not drive unless I feel safe and certain of my ability.
- I will be especially alert during dangerous conditions such as rain, snow, sleet, wind, heavy traffic, fog, unlit roads, construction zones, and accident scenes.
- I will always lock every door and take the keys when I leave the vehicle. I will park in areas where I believe the vehicle will be safe from damage or theft.
- I will obey the driving instructions of my parent(s) and of law enforcement officers.
- Additional Conditions Required By My Parent(s):
